## Spring 2025

---

World Book Day was celebrated in relaxing pyjamas and by sharing our favourite books with friends and family. Thank you to everyone who was able to join us reading stories, singing rhymes and contributing to our fundraising for Claire House Children's Hospice. Ruth and Emily provided delicious themed food which was well received!

Alarna and the Pre-School team held an informative school readiness workshop on March 28<sup>th</sup> and we hope you found this useful. Thank you to all who managed to join us. Let us know if you still need a copy of the information pack.

Primary school places will be offered on Friday 16<sup>th</sup> April. Please let your key worker know which school you have accepted so that we can liaise with them and invite school reception teachers to visit us.

Providing children with experiences and opportunities to help them progress and achieve success, is a requirement of the EYFS. The term used is providing "Cultural Capital". We would like you to help the children become more knowledgeable about the world around them. Let us know if you could visit the children at nursery and talk about an aspect of your life that you would like to share. Previously, we have been visited by a vet, dentist, physiotherapist and even a building safety engineer, but the topic could also be a hobby or interest. These experiences really enhance their learning and the children thoroughly enjoy them. Please let us know if you can help. We recently had a very interesting and exciting visit from PCSOs Nick and Lexi. See our Facebook page for the photos.

## Spring 2025

- **IMPORTANT** - make sure that you close all entrance doors to the nursery fully. Please test them after shutting to make sure.
- We are looking to add some shrubs or plants to our playground area. If you are clearing out your garden, we would be very grateful to re-plant any of your unwanted shrubs.

The RSPCA Centre on London Road are currently caring for an unprecedented amount of hedgehogs and they need lots and lots of bedding to keep them warm until they can be released. We are donating shredded newspapers to them and we would be grateful if you could save any that you have for our stack to shred. We are offering our grounds as a place to release them and are waiting to see if we are a suitable site. Fingers crossed as it would be wonderful to get the children involved in their release.

**We are now fully settled into our new offices and staff room. The staff room is very spacious and homely and has a garden area for al fresco dining in the summer. Our office spaces are proving to be very productive and are working out well. We are spending dedicated time in the rooms with the staff teams each day as well as regularly passing through during the days. We still have our own precious time with the children!**

The Easter break is quickly approaching. You should have received your invitation for our egg hunt around the grounds on Wednesday 16<sup>th</sup> April at 10.30am. Easterly attire is welcome and Ruth and Emily are planning refreshments and yummy hot cross buns. Everyone is welcome to join us whether you attend the nursery on Wednesday mornings or not.
